

Polo Top

Boys Shorts (Full Elastic)

Girls Skorts (Full Elastic)

Measurement Guide

Polo Top

Measure the circumference of the chest directly under the child armpit as shown above. Round up to the nearest even number (Example: If measured size is 29 inches, the measurement for the Polo Top to purchase will be 30).

Boys Shorts / Girls Skorts

There is full elastic band all round for Boys Shorts / Girls Skorts. Measurement for the attire is usually the same size as Polo Top.

(Example: If Polo Top size is 30, shorts / skorts will be size 30 as well)

Size range available for Polo Top : Size 28 to 44

Size range available for Shorts/Skorts : Size 26 to 44
