HWS/22/21

24 January 2022

Dear Parents/Guardians,

### **School- Based Assessment (SBA) Policy – Primary 6**

The school's SBA practices comprise a wide repertoire of assessment strategies to provide teachers and pupils with a balanced view of the learning that will take place throughout each academic year. The assessment process includes both non-weighted and weighted assessments.

#### **Assessment Weighting**

Level	Subject	Term 1	Term 2	Term 3	Term 4
P6	English, Chinese, Mathematics, Science (incl. Higher Chinese, Foundation English/ Chinese/Mathematics/Science)	<b>WA</b> 10%	<b>MYE</b> 30%	<b>Prelim</b> 60%	<b>PSLE</b>

\* MYE: Mid-Year Examination Prelim: Preliminary Examination NWA: Non-Weighted Assessments WA: Weighted Assessments

#### **Non-Weighted Assessments (NWA)**

NWA enable our teachers to track the learning progress of pupils, and provide richer feedback to parents and pupils to better support and guide pupils in their development. This assessment for learning is embedded in daily lessons. On-going formative assessment practices and strategies, such as strategic questioning, self-and-peer assessments, will be used in class to reinforce pupils' learning.

#### **Weighted Assessments (WA)**

WA provide information on pupils' mastery of knowledge and skills through the assignment of grades. These include topical test, Mid-Year Examination (MYE) and Preliminary Examination (Prelim).

For more information, please refer to the appended assessment plan of the individual subjects. (Schedule and Scope of Assessment for Term 1 WA is appended as well.) The scope of assessment for subsequent terms will be released at a later date.

#### **Special considerations for absentees**

If your child is absent for the WA/ MYE/ Prelim, he/she needs to produce a valid medical certificate or any official documentation to account for the absence in order to take the paper on another day.

Type of Assessment	Special considerations for absentees
MYE / Prelim	To take the paper on another day during the examination period for the level, up to one day after the last paper of the level
WA	To take the test within 3 school days from the date of the test

#### **Academic Conduct, Integrity and Responsibility**

Integrity and responsibility are our school's core values. Commitment to the highest standards of academic conduct and integrity is expected of every pupil. Pupils caught cheating or attempting to cheat will be deemed to have committed a disciplinary offence and will be awarded a zero for the paper. We believe that our pupils are able to take responsibility for managing their own learning. Thank you for being partners with our teachers to make learning joyful and engaging for your child in Hong Wen.

Please feel free to contact your child's subject teachers if you need any clarification.

Yours sincerely,  
Mrs Theresa Hong  
Principal
