HWS/22/16

24 January 2022

Dear Parents/Guardians,

School-Based Assessment (SBA) Policy – Primary 1

The school's SBA practices comprise a wide repertoire of formative assessment strategies to provide teachers and pupils with a view of the learning that will take place throughout each academic year.

Formative assessments enable our teachers to track the learning progress of pupils, and provide richer feedback to parents and pupils to better support and guide pupils in their development. These assessments are filed in the Holistic Development Portfolio which captures your child's learning progress and is used as a communication tool between the teacher and you during the Parent-Child-Teacher-Conference.

This assessment for learning takes place in class all the time and is embedded in instruction. In line with MOE's efforts to reduce assessment load and stakes, assessments in Primary 1 and Primary 2 are non-weighted.

The school will use subject-specific Learning Outcomes (LOs) for the purpose of reporting pupils' learning progress and they are reflected in the appended assessment plans. The LOs and qualitative descriptors will be reported in the Holistic Development Profile (HDP) at the end of each semester as feedback to pupils and parents for learning.

We believe that our pupils are able to take responsibility for managing their own learning. Thank you for being partners with our teachers to make learning joyful and engaging for your child in Hong Wen.

Please feel free to contact your child's subject teachers if you need any clarification.

Yours sincerely,

Mrs Theresa Hong
Principal
